

THE ROYAL HARBOUR ACADEMY

*A proud community built upon success,
high aspirations and a global outlook.*

Mr S Pullen
Headteacher

Thank you for your interest in our school

We are a happy and inclusive school where everyone is valued and where every student is challenged and supported to achieve their very best.

We are a wide-ability school, which means we cater for all students, whatever their previous achievements may have been. This includes identifying students with ability for our selective stream where students follow a curriculum equivalent to a grammar school.

However, whatever the pathway, we have high aspirations for every single student and have built an exciting curriculum that meets everyone's needs.

Of course, school is much more than just the subjects our students study, and we place great emphasis on developing life skills and extra-curricular activities so that our students leave us as well-rounded individuals, ready for their next steps in the world.

Simon Pullen

TWO SITES

Our school has two sites, Upper and Lower. To help with transition from Primary School, we only have Years 7 and 8 on our Lower Site, which allows us to create an environment in which younger students can flourish.

“Leaders have structured the curriculum according to the needs of pupils. They have developed an innovative approach for lower school pupils.”
- Ofsted 2020

ONE SCHOOL

In Year 9, students move to the Upper Site, which has excellent facilities to support their GCSE and Sixth Form studies.

In the Sixth Form, our school offers the International Baccalaureate Career-related Programme, where students study a wide range of vocational and academic qualifications.

“Royal Harbour Academy is an inclusive school with a strong commitment to the values and philosophy of the IB programmes.”

OUR CURRICULUM

To help transition from Primary School, our students have two main teachers who deliver the core subjects. This means we really build on the progress your son or daughter has made at their Primary School.

Students, of course, experience the full range of National Curriculum subjects and are able to choose from an exceptionally broad choice of GCSEs and Sixth Form subjects.

DEVELOPING THE INDIVIDUAL

As well as securing academic success, we know that we must also help our students develop the personal attributes they will need to be successful in life. We are an International Baccalaureate World School and put the IB Learner Profile at the core of what we do.

“The school is a desirable place to learn for students, and they are encouraged to become well rounded, internationally minded and knowledgeable students.”

- IBCP Re-authorisation Visit 2022

“Doing presentations to the class was scary at first, but now I feel much more confident”

- Thomas Year 8

“Leaders have created a positive environment where pupils are confident and proud of their learning. There is an exciting focus on pupils’ futures. Pupils display positive attitudes to their studies. They recognise the dedication of staff and feel valued.”

- Ofsted 2020

EXTRA-CURRICULAR

Extra-curricular activities are an important part of education and we encourage our students to take part in our clubs and trips.

“Pupils also enjoy the wide range of extra-curricular activities and work-related learning provided. For example, they enjoy enterprise tasks and learning to challenge each other in a constructive manner. Pupils show high levels of respect and consideration and say that bullying is not an issue at the school.”

- Ofsted 2020

DUKE OF EDINBURGH AWARD

We have specially trained staff who run the Duke of Edinburgh Award at our school. This is a fantastic opportunity for our students to explore the world around them.

"I used to be shy and would never talk to anyone I didn't really know, The Duke of Edinburgh award has boosted my confidence and I am a community youth leader"

- Shannon Year 11

“The lessons always link to the wider world and we spend time talking about different careers and opportunities”
- Abbie Year 11

“My teachers always challenge me to ask lots of questions and to explore the things we study in more depth”
- Liam Year 10

GUIDANCE & SUPPORT

The dedicated team at the Lower Site will make sure you settle into the school quickly and make great progress.

Mr K Lasslett
Assistant Headteacher
SENCO

Mr S Wall
Assistant Headteacher
Personal Development

Miss M Smith
Head of Year 7

Ms K Cross
Head of Year 8

“Starting secondary school is one of the most significant moments in any young person's life and I am proud to lead a fantastic team of staff who believe in supporting students through a nurturing approach.”
- Mr Lasslett

Lower Site - Newlands Lane, Ramsgate, Kent, CT12 6RH

Upper Site - Marlowe Way, Ramsgate, Kent, CT12 6FA
